NATIONAL
ACADEMY
of
EDUCATION

The National Academy of Education (NAEd) advances the highest quality education research and its use in policy formation and practice. Founded in 1965, the Academy consists of U.S. members and foreign associates who are elected on the basis of outstanding scholarship or contributions to education. Since its establishment, the Academy has undertaken numerous commissions and study panels which typically include both NAEd members and other scholars with expertise in a particular area of inquiry.
