NATIONAL ACADEMY of EDUCATION

The National Academy of Education
Forums on COVID-19 and Inequities in Education

Mathematics Instruction in the COVID-19 Era

Wednesday, September 2, 12:00 - 1:30 pm EDT

Robert Q. Berry III
Professor of Mathematics Education
University of Virginia

Linda Ruiz Davenport
Director of K-12 Mathematics
Boston Public Schools

Levi Patrick
Assistant Executive Director of Curriculum & Instruction
Oklahoma State Department of Education

Moderator
William F. Tate IV
Provost and Executive Vice President of Academic Affairs
University of South Carolina

Trena Wilkerson
Professor of Mathematics Education
Baylor University
President
National Council of Teachers of Mathematics

Panelists will address these questions: (1) What inequities in mathematics have been exacerbated by the pandemic? (2) What are the biggest challenges for addressing unfinished curricular learning in mathematics instruction? (3) What strategies are you using/recommending/discussing that may be “best bets” for mathematics learning? (4) If schools continue online learning, what are possible strategies for successful learning?
